**Touch the Earth Farm CSA Agrees to:**

Touch the Earth Farm agrees to provide weekly farm fresh eggs and fresh, seasonally-available produce from the first week of January until the last week of December, 2008. Variety and quantity of produce is at the discretion of TTE based on seasonal harvest availability, which includes certain risks of temperature extremes, drought, and predation that TTE will do our best to minimize and mitigate.

We pledge our best effort to ensure crop success using sustainable methods, to limit membership to manageable numbers ensuring quantity and quality for all members, to maintain open communication with our members, and to continue learning and growing in sustainable agriculture and in partnership with our member community.

We commit ourselves to using recyclable and reusable materials and eliminating the use of plastics as part of our larger commitment to our community and the planet.

TTE reserves the right for 2 weeks of vacation outside the 20 week season, not to be taken consecutively, for which members have not been charged.
