**Member Agreement:**

Members agree to pick up produce at the agreed upon place and time. If produce is not picked up and prior arrangements have not been made, that week’s share will be forfeit and dispersed.

NIST drop-off members agree to provide a 40qt or larger hard-sided cooler along with two reusable ice packs for proper packaging each week, to be returned to the member at the end of the season. We will need to receive the cooler prior to the drop-off date each week in order to ensure that your share stays fresh and delicious throughout the workday.

Prior arrangement must be made for vacation dates at least two weeks in advance in order for Touch the Earth CSA to try to accommodate requests. We reserve the right, based on availability, to determine make-up dates, or you may donate your share for that week to be dispersed among members.

**Touch the Earth Farm CSA Agrees to:**

Touch the Earth Farm agrees to provide weekly for twenty weeks two market bags filled with a variety of fresh, seasonally-available produce. Variety and quantity of each is at the discretion of TTE based on harvest availability, which includes certain risks of drought and predation that TTE will work our hardest to minimize.

We pledge our best effort to ensure crop success using sustainable methods, to limit membership to manageable numbers ensuring quantity and quality for all members, to maintain open communication with our members, and to continue learning and growing in sustainable agriculture and in partnership with our member community.

We commit to using recyclable and reusable materials, eliminating the use of plastics whenever possible, as part of our larger commitment to our community and the planet.
